

GRAMÁTICA

Using Adjectives to Describe: Number

Adjectives must also match the number of the nouns they describe. To make an adjective plural, add **-s** if it ends with a vowel, **-es** if it ends with a consonant.

los chicos:

guapos, divertidos y fenomenales

las chicas:

guapas, divertidas y fenomenales

When an adjective describes a group with both genders, the **masculine** form of the adjective is used.

El chico y la chica son **guapos**.
