

Nombre:

**Verbos de cambio radical e → ie en el presente:**

**Stem changing verbs**

In Spanish, some verbs have a stem change in the present tense.

How do you form the present tense of **e → ie** stem-changing verbs?

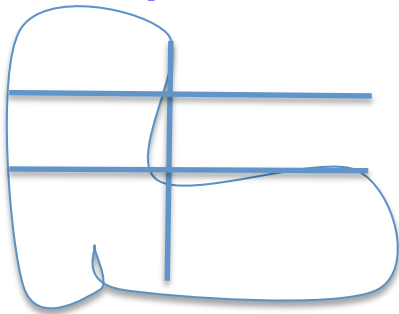

Here's how: (p.210)

1. Stem changing verbs have \_\_\_\_\_ **-ar, -er and -ir** present tense \_\_\_\_\_. For **e → ie** stem-changing verbs, the **e** of stem-changes to \_\_\_\_\_ in **all** forms **except** \_\_\_\_\_ and \_\_\_\_\_.

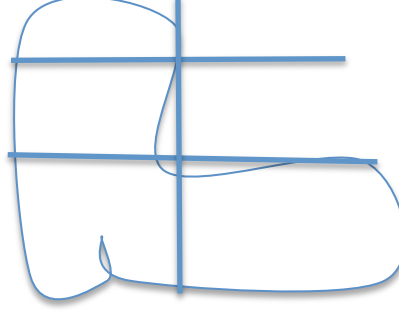

Stem-changing verbs are called boot verbs because if you outline the verb forms that have a stem-change, the resulting shape forms a boot. Which verbs forms are outside the boot? \_\_\_\_\_ and \_\_\_\_\_

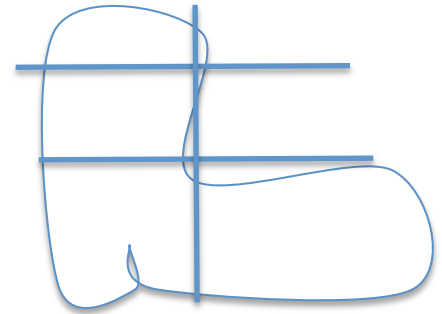

Empezar

Querer

Preferir

2. The verbs empezar, comenzar, querer and preferir are often followed by an \_\_\_\_\_.

Examples: \_\_\_\_\_  
\_\_\_\_\_

Before an infinitive, empezar and comenzar require the preposition \_\_\_\_\_.

Ex: \_\_\_\_\_

Nombre:

Verbos de cambio radical o → ue.

Some verbs have an o → ue stem-change.

Verbs like: \_\_\_\_\_ (\_\_\_\_\_), \_\_\_\_\_, (\_\_\_\_\_), \_\_\_\_\_  
(\_\_\_\_\_), \_\_\_\_\_ (\_\_\_\_\_).

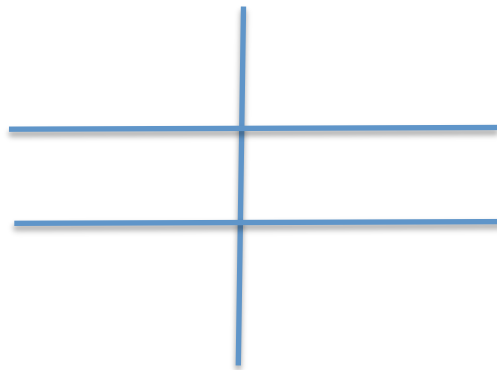

The o changes to \_\_\_\_\_, except for the \_\_\_\_\_ and \_\_\_\_\_ form. The endings are the \_\_\_\_\_ as those of \_\_\_\_\_ verbs.

*These are also **boot-verbs**. However, let's go ahead and conjugate using the table.*

Infinitive	volver	poder	dormir
Yo			
Tú			
Él, ella, Ud.			
<b>Nosotros</b>			
<b>Vosotros</b>			
Ellos, ellas, Uds.			

The verb **jugar** (to play)

2. The **u** in the verb jugar changes to \_\_\_\_\_ in all forms except nosotros and vosotros.  
Conjugate and draw the boot around the stem- changing verb **jugar**.
